

3rd Waltham Abbey Scout Group

Activity Polo Shirt

When your child takes part in scout activities away from Elphwood Hall, we insist that your child wears their scout uniform. On occasions, our activities have attracted attention from local youths who see our uniform differently and sometimes can become hostile towards us.

To prevent this, leaders have decided on several occasions it was not essential to wear uniform, but in order to identify our organisation as a Scout Group, we encourage the purchase of an activity polo shirt with our logo. This allows our scouts to dress more appropriately for an activity and reduce the risk of interference.

The activity shirts can also be part of your child's scruff kit. *{Scruff kits are a secondary set of clothing that scouts change into after Flag break, thus preventing their uniforms from getting dirty or damaged during activities.}*

Activity shirts (*please view sample on reverse side*) are £10 and payment is required in-advance. It is particularly important that parents take into consideration their child's growth when ordering as an activity shirt should have a lifespan of 3- 4 years. Please ensure that the correct size has been ordered, as mistakes cannot be taken back or exchanged once an order has been placed.
